A Message of Gratitude from Doris and David's Family

Genuine heartfelt love has been expressed from friends, family, Mama and Francene Hash, and especially by Bishop J.C. and Lady Joyce Hash, the St. Peter's World Outreach Center Church family, and both David's and my generation leaders and cell members as I have experienced "My David's transition.

David's love and memory will remain in our hearts and spirits forever. We will never forget his gentle smile and soft voice. Because his spirit will always be with us, we will forever seek to raise our depth of love for our Lord. Our prayer is that those who knew David will be compelled to carry on his legacy of love from generation to generation.

Thanks to everyone who has reached out to me and David's family in any way whether in prayer, time, resources, or any other generosity. We extend our sincere thanks.

Obituary

With the passing of Bro. David Theodore Perrin, the world is left to celebrate the life and love of one of its most outstanding examples of strength and love. On Sunday, April 22, 2012, he transitioned this life to receive his eternal reward.

David was born December 25, 1950 to Paul Theodore and Marilyn Perrin in Waterloo, Iowa and was educated in the Blackhawk County School System. David met his beautiful wife Doris on January 6, 1982, proposed at The Magic Moment Restaurant on February 6, 1982, and they were married on March 6, 1982. Their union of love has lasted for more than 30 years.

He was the CEO and Owner of Partners in Excellence, Inc. which is a company specializing in promotional products and corporate wearables. He was also a certified PHD Cruise and Land Vacation Specialist and a finished carpenter by trade.

David's love for God began in his early years; however, in January, 1988 at an Amway Business Convention, he and Doris heard the simplicity of the word of God and accepted the Lord as their personal savior and began a renewed life of service that has never stopped but has grown tremendously. His service in ministry has spanned from teaching couples how to have a loving and meaningful marriage and having small bible studies with friends over lunch.

His affiliation with St. Peter's World Outreach Center Church began over 18 years ago when he and Doris received an invitation in the mail to attend a conference where Kenneth Copeland and Mike Murdock were speaking. They had never heard of St. Peter's Church and did not know how their name got on the mailing list; however, when they stepped foot in the church, it was such a heartwarming and welcoming experience. The powerful word that they heard from Bishop Hash was revolutionizing and Doris and David looked at each other and said, "Wow"! They agreed that God put Bishop and Lady Joyce in their lives to be their mentor and spiritual parents. Six months later, they joined St. Peter's Church and have been faithfully serving the vision and attending every prayer service and bible study ever since.
