At Eventide

*I want to know when the day is done
that life has been worth living.*

*That I have brought somebody joy
through kind unselfish living.*

*I want to feel when evening falls and shows
quickly lengthens, that I have made someone
glad, some weakness I have strengthened.*

*I want to know, that come what may
I left some cheer and gladness;*

*I want to feel at the close of the day,
I've banished someone's sadness.*

*I want to feel at eventide, that
someone's cares was lighter;
because of kindness I have done,
may someone's life be brighter.*

*Acknowledgments: We, the family, would like to
express our heartfelt thanks to everyone for your
uplifting and spiritually inspiring prayers, letters,
cards, visits, telephone calls and acts of kindness
during the passing of our loved one.*

May God bless each of you.
