### **Amazing Grace**

Amazing Grace, how sweet the sound, That saved a wretch like me....  
I once was lost but now am found, Was blind, but now, I see.

T'was Grace that taught...my heart to fear.And Grace, my fears relieved.  
How precious did that Grace appear...the hour I first believed.

Through many dangers, toils and snares...we have already come.  
T'was Grace that brought us safe thus far...and Grace will lead us home.

The Lord has promised good to me...His word my hope secures.  
He will my shield and portion be...as long as life endures.

When we've been here ten thousand years...bright shining as the sun.  
We've no less days to sing God's praise...then when we've first begun.

Amazing Grace, how sweet the sound,That saved a wretch like me....  
I once was lost but now am found,Was blind, but now, I see.

### **Just As I Am**

Just as I am, without one plea, but that thy blood was shed for me,  
and that thou bidst me come to thee, O Lamb of God, I come, I come.

Just as I am, and waiting not to rid my soul of one dark blot, to thee  
whose blood can cleanse each spot, O Lamb of God, I come, I come.

Just as I am, though tossed about with many a conflict, many a doubt,  
fightings and fears within, without, O Lamb of God, I come, I come.

Just as I am, poor, wretched, blind; sight, riches, healing of the mind,  
yea, all I need in thee to find, O Lamb of God, I come, I come.

Just as I am, thou wilt receive, wilt welcome, pardon, cleanse, relieve;  
because thy promise I believe, O Lamb of God, I come, I come.

Just as I am, thy love unknown hath broken every barrier down;  
now, to be thine, yea thine alone, O Lamb of God, I come, I come.

### **In Loving Memory of My Husband**

A place is vacant in the home  
That no one else can fill  
The voice that loved ones used to hear  
Is silent now and still  
The pleasant face they used to see  
Is hidden from their view  
For he has crossed the border line  
His life work now is through.

So in this state of heart and soul  
He calmly slipped away  
And as we paused to think of him  
We'll meet him some sweet day  
Along with others whom we love  
Who passed us on life's road  
Where we shall dwell for evermore  
In Heaven's blest abode
