I am the resurrection and the life;
Whoever believes in me, even if he dies, will live,

Memories in the Heart

by Unknown Author

Feel no guilt in laughter, she knows how much you care
Feel no sorrow in a smile that she's not here to share
You cannot grieve forever, she would not want you to
She'd hope that you can carry on, the way you always do
So talk about the good times and the ways you showed you cared
The days you spent together, all the happiness you shared

Let memories surround you
A word someone may say
Will suddenly recapture a time, an hour, a day
That brings her back as clearly as though she were still here
And fills you with the feelings that she is always near
For if you keep these moments, you will never be apart
And she will live forever locked safe within your heart

We’ll Remember You

by Jilchristy Dee

We’ll remember you in sunshine
Its rays warming earth and sky
We’ll remember you in bird’s graceful wings
As they glide and flutter by

We’ll remember you in the summer breeze
And in softly falling rain
We’ll remember you in dark storm clouds
The rainbow’s picture frame

We’ll remember you in blossoms and fields
And in gentle streams that flow
We’ll remember you in all that lives...
All that brings life... that grows

We’ll remember you in the mountains
When golden leaves fall at our feet
We’ll remember you when glowing sunsets
Cast sparkling embers on the beach

We’ll remember you in the Christmas lights
Glimmering bright with joy and hope
We’ll remember you when white winter storms
Cover canyon, field and slope

We’ll remember you when we’re at our best
Keep your mem’ry close during darkest days
We’ll remember you when each day dawns
In these simple, yet precious ways

Moment by moment we’ll remember you
You’ll never be too far away
Because we’ll keep you in our hearts
Each and every day
